

BEYOND MEASURE

FALL 2026

# Prayer Guide

**Thank you for standing with us so faithfully through your prayers and generous support.** Your partnership strengthens this ministry and helps carry hope to children facing poverty around the world. As you move through this prayer guide, we invite you to engage in whatever way God leads – perhaps by spending a month praying over one region, lifting up individual countries one by one or following a personal rhythm of prayer shaped by the Holy Spirit. The requests on these pages represent only a small portion of the many needs associated with our work with 2.4 million children in 29 countries. We are deeply grateful that you are joining us in this vital mission through prayer.
